## Chamber Music for Wind, Strings and Piano

**Rosewood Publications** produces a wide variety of chamber music for combinations of wind, strings and piano. Some pieces are first editions, some are modern editions of music now out of print and some are facsimiles. We provide alternative instrumentation to our editions where practicable. Sound files and some You Tube recordings may be heard on our website.

**Rosewood Publications pieces (RPs)** have been set using modern software. All works without piano include a score. Where alternatives for an instrument are given, the original is listed in bold type. Piano parts for RPs are playable from full scores.

**Rosewood Facsimile Editions (RFEs)** are photocopies of out-of-print chamber music. Most of these editions, until now, have only been available in select libraries or private chamber music collections. RFEs do not usually include a score. In the following pages, RFEs are listed after RPs.

*Please send, telephone or email your order to Rosewood Publications, Farthings, Rotten Row Hill, Bradfield, Berkshire RG7 6LL, UK (01189 744426) or contact us through our website.
